JULIE x LLA – V1000

The Netflix Cut

V1000 – 107.000s master – frame-accurate beat map

Picture-only upgrade. Voice-over never re-timed. Locked zone never touched.

RUNTIME

107.000s – identical to the delivered edit

BEATS

28 (8 new picture beats)

EDITABLE ZONE

0:00.00 – 1:06.00 (66.00s)

LOCKED ZONE

1:06.00 – 1:47.00 (41.00s) – untouched

PACE

27 cuts in 66.00s – 2.44s average (was 5.00s)

MUSIC

Courtney bed – 90.75 BPM – climax aligned to 1:06.00

MASTER

-13 LUFS integrated / true peak -1.0 dBTP

VERSION

V1000 – storyboard for approval, not yet rendered

LOCKED

01 LLA IDENT

0:00.00 - 0:05.00 (5.00s)

WHAT YOU SEE
Particle ident resolving into the LLA lockup. Client-locked intro, untouched.

WHAT IS HEARD
Courtney bed enters cold at bar 1. Sub-swell only, no melody.

UNTOUCHED. Editor's asset, frame for frame.

LOCKED

02 IDENTITY BANNER

0:05.00 - 0:08.50 (3.50s)

WHAT YOU SEE
Julie card: "2nd Slowest-Aging Person on Earth". Editor's card design, untouched.

WHAT IS HEARD
Bar 3. First melodic entry under the card.

UNTOUCHED. Message text and design both left alone.

RE-CUT

03 HOOK — WILLPOWER

0:08.50 - 0:11.20 (2.70s)

WHAT YOU SEE
Julie to camera. VO word "willpower" lands at 8.26s, one frame before the cut so the line opens the beat.

WHAT IS HEARD
Bed thins to let the first sentence sit forward.

Editor's picture, verbatim timecode. Lip sync untouched.

NEW

04 REFRAME — PUSH-IN

0:11.20 - 0:12.53 (1.33s)

WHAT YOU SEE
1.34x Lanczos reframe of the same frames: tighter, eye-line raised. Fires on "age slower than others".

WHAT IS HEARD
Held.

Same source frames, reframed only. No AI on her face. Lip sync preserved because the timecode is identical.

RE-CUT

05 "WILLPOWER RUNS OUT"

0:12.53 - 0:14.23 (1.70s)

WHAT YOU SEE

Back to the wide. VO "Willpower runs out" at 13.30s.

WHAT IS HEARD

Bed drops a layer on the full stop.

Editor's picture, verbatim.

RE-CUT

06 EVERY SERIOUS STUDY

0:14.23 - 0:16.30 (2.07s)

WHAT YOU SEE

Julie, wide. "Every serious study on behaviour change says the same thing."

WHAT IS HEARD

Rising.

Verbatim.

NEW

07 REFRAME — TIGHT

0:16.30 - 0:18.37 (2.07s)

WHAT YOU SEE

1.55x reframe on "says the same thing". Second angle without a second camera.

WHAT IS HEARD

Held.

Same frames, reframed. Lip sync preserved.

RE-CUT

08 IT'S A TANK

0:18.37 - 0:20.60 (2.23s)

WHAT YOU SEE

"It's a tank, and it empties by the end of a hard day."

WHAT IS HEARD

Bed opens up under the metaphor.

Verbatim.

NEW

09 CLOCK MACRO — FLIPPED

0:20.60 - 0:22.90 (2.30s)

WHAT YOU SEE

Editor's own brass mechanism macro, 1.22x punch, horizontally flipped, 0.88x speed. Cuts away exactly on "empties by the end of a hard day".

WHAT IS HEARD

Bed holds; ticking implied by picture only.

Sourced 30.330-32.330s — the clean stretch AFTER his overlay has fully dissolved, so no mirrored type appears. His graphic is never flipped.

LOCKED

10 CARD — SLOW YOUR PACE

0:22.90 - 0:26.20 (3.30s)

WHAT YOU SEE

"Slow your pace of aging." Editor's card, untouched.

WHAT IS HEARD

First silent window opens (no VO 22.2-32.7). Score takes the room.

UNTOUCHED.

NEW

11 AWARD SCENE 1 — TWO CHRONOMETERS

0:26.20 - 0:29.60 (3.40s)

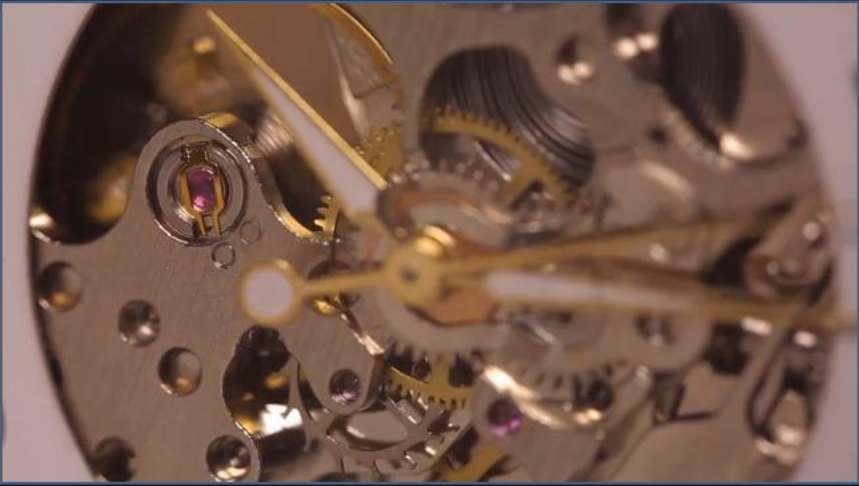

WHAT YOU SEE

Two dials sweep one calendar year together. The typical adult completes 12.00 months. Julie's freezes at 7.98. Payoff line: 65 days of aging for every 100 days lived.

WHAT IS HEARD

Silent window. Score is the only sound; dial freeze lands on a bar line.

Programmatic Pillow/NumPy render, 1920x1080, 102 frames. DunedinPACE 0.665 (TruDiagnostic, via NOVOS Labs). 12 x 0.665 = 7.98 months. Recomputed, not restated.

RE-CUT

12 CLOCK HERO

0:29.60 - 0:32.70 (3.10s)

WHAT YOU SEE

Editor's mechanism macro full-frame with his own overlay intact, 0.945x speed to fill the slot.

WHAT IS HEARD

Silent window continues.

His graphic left exactly as designed.

RE-CUT

13 I'M JULIE GIBSON CLARK

0:32.70 - 0:34.40 (1.70s)

WHAT YOU SEE

On camera. VO 32.70-33.94.

WHAT IS HEARD

Bed steps back for the introduction.

Verbatim timecode. Lip sync exact.

RE-CUT

14 THE CLAIM BEGINS

0:34.40 - 0:36.50 (2.10s)

WHAT YOU SEE

"For over a year, I held the number two spot in the world..."

WHAT IS HEARD

Held.

Verbatim.

NEW

15 AWARD SCENE 2 — THE 4,000

0:36.50 - 0:39.70 (3.20s)

WHAT YOU SEE

4,000 people entered. She finished second. The leaderboard row ignites on the spoken word "two" at 36.54s, rank 06 Bryan Johnson 0.72 settles beneath it.

WHAT IS HEARD

Score lifts into the reveal.

Programmatic render, 96 frames. ~4,000 participants (Fortune, NAD.com); 0.665 vs 0.72 (2023 Rejuvenation Olympics). No AI text anywhere near a number.

NEW

16 AWARD SCENE 3 — THE LEDGER

0:39.70 - 0:43.10 (3.40s)

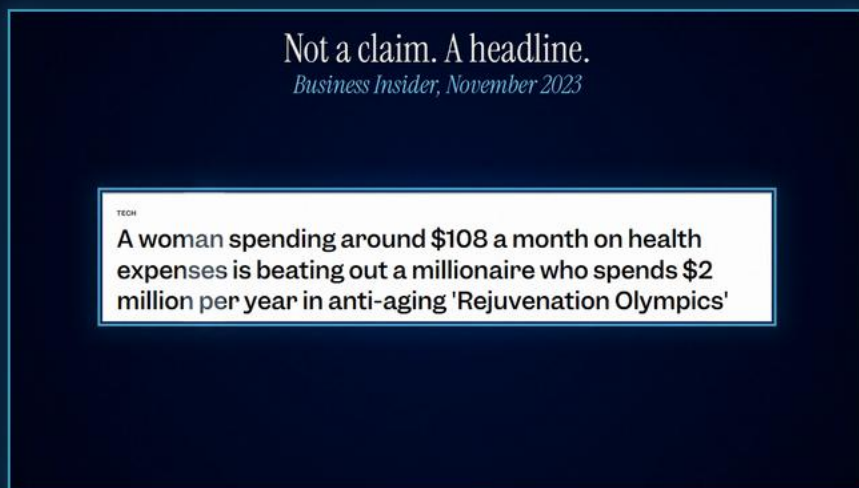

WHAT YOU SEE

He spends two million a year. She spends a hundred and eight a month. Counters climb to \$2,000,000 and \$108 and lock. Lands on the spoken word "budget" at 40.92s and holds through "ahead of men with full-time medical teams".

WHAT IS HEARD

Score at full width.

Programmatic render, 102 frames. \$27 gym + \$79 supplements = \$108/mo (Business Insider headline figure). Bryan Johnson ~\$2M/yr.

NEW

17 PRESS PROOF — REAL HEADLINE

0:43.10 - 0:45.47 (2.37s)

WHAT YOU SEE

Live screen capture of the Business Insider article, framed and lit, light sweep across the headline. Not a mock-up.

WHAT IS HEARD

Score settles as the claim closes.

Real page capture taken this session. Crop verified at full size: all three headline lines complete, no glyph clipped, no byline half-cut.

RE-CUT

18 THREE SIMPLE THINGS

0:45.47 - 0:47.80 (2.33s)

WHAT YOU SEE

"I focus on three simple things." VO 45.48-47.72.

WHAT IS HEARD

Bed narrows for the list.

Verbatim.

RE-CUT

19 SLEEP

0:47.80 - 0:48.97 (1.17s)

WHAT YOU SEE

Sleep b-roll. Spoken word "Sleep" at 48.12s.

WHAT IS HEARD

Three-hit rhythm begins.

Editor's b-roll, verbatim.

RE-CUT

20 FOOD

0:48.97 - 0:49.87 (0.90s)

WHAT YOU SEE

Greens b-roll. Spoken word "food" at 49.02s. Picture pulled 0.23s earlier than his cut so the image lands on the syllable.

WHAT IS HEARD

Second hit.

Picture shift only, no VO move.

RE-CUT

21 MOVEMENT

0:49.87 - 0:51.40 (1.53s)

WHAT YOU SEE

Rope work. Spoken word "movement" at 49.96s, 0.79x speed for weight.

WHAT IS HEARD

Third hit resolves.

Picture retimed, audio untouched. NOTE: the script says THREE pillars, so no fourth pillar shot exists in the film.

LOCKED

22 CARD — #2 SLOWEST AGER

0:51.40 - 0:54.70 (3.30s)

WHAT YOU SEE

"Learn longevity from the world's #2 slowest ager." Editor's card.

WHAT IS HEARD

Silent window 50.6-54.1.

UNTOUCHED.

RE-CUT

23 COME LEARN WITH US

0:54.70 - 0:57.60 (2.90s)

WHAT YOU SEE

Julie invites. VO 54.14-60.20.

WHAT IS HEARD

Score begins its climb toward the locked climax.

Verbatim.

NEW

24 CURRICULUM — 6 AND 18

0:57.60 - 0:59.00 (1.40s)

WHAT YOU SEE

Editorial numerals: 6 PILLARS | 18 LIVE SESSIONS. Fires on the spoken "six pillars" at 57.64s and holds through "18 live sessions" at 58.86s.

WHAT IS HEARD

Held.

Programmatic render, 42 frames. Both numbers are spoken in her own VO — nothing invented.

RE-CUT

25 INVITE CLOSE

0:59.00 - 1:00.40 (1.40s)

WHAT YOU SEE
Back to Julie for the end of the line.

WHAT IS HEARD
Held.

Verbatim.

LOCKED

26 CARD — 18 LIVE SESSION COURSE

1:00.40 - 1:02.20 (1.80s)

WHAT YOU SEE
"Claim your seat." Editor's card and offer copy.

WHAT IS HEARD
Held.

UNTOUCHED. Offer information never altered.

RE-CUT

27 ZOOM ROOM

1:02.20 - 1:06.00 (3.80s)

WHAT YOU SEE
Live cohort grid. Last beat before the locked zone.

WHAT IS HEARD
Bed reaches the handoff point at exactly 66.000s.

Verbatim.

LOCKED

28 LOCKED ZONE

1:06.00 - 1:47.00 (41.00s)

WHAT YOU SEE
Press wall, app sequence, faculty, biomarkers, outro, enrol cards. 41.00s of the editor's craft.

WHAT IS HEARD
Courtney's climax starts at exactly 66.000s and resolves on the final card.

ZERO PICTURE EDITS. SSIM vs source across all 1230 frames: 0.99938 (Y 0.99938 / U 0.99939 / V 0.99935). No re-timing, no re-cutting, no regrade.
